A Room for Every Occasion

Great Lakes Brewing Company offers two beautiful rooms for you and your guests, each reflecting a part of Cleveland's rich history.

The Tasting Room

This spacious room was once a part of the famous Schlather Brewery. There are century-old brick walls, historical brewing memorabilia and an antique bar centerpiece that overlook our gleaming "tank farm" and state-of-the-art brewing equipment. Here you can experience Cleveland's brewing history and its future. It seats 150 for dinner, 200+ for cocktails.

The Rockefeller Room

Named after John D. Rockefeller, who once toiled as a bookkeeper in this very space, the Rockefeller Room features a fascinating display of brewing memorabilia. It has its own private bar and is perfect for up to 70 for cocktails, 50 for dinner.

Award-Winning Lagers & Ales

Every Great Lakes brew is carefully handcrafted, all natural and without preservatives for a fresher, livelier taste. There is sure to be one to please any palate.

Try our five medal winners, bottled and on tap year round:

Dortmunder Gold, Eliot Ness Amber Lager, Edmund Fitzgerald Porter, Burning River Pale Ale, and Locketender Lager.

Legendary Hospitality

For more than a century, our location has been a haven for people seeking to nourish both body and soul. It has always offered a hearty welcome, good food and great beer. Today, Great Lakes Brewing Company is the center of hospitality in the growing and vibrant area known as Ohio City.

We understand that a wonderful dining experience demands outstanding food and beverages that complement each other in an atmosphere of warmth and conviviality. Our exquisite beers, signature dishes and diverse menus bring thousands of diners back to Great Lakes every year. And the unique ambiance offered by each of our rooms makes Great Lakes Brewing Company the perfect place for reunions, benefits, wedding receptions, rehearsal dinners, business meetings, bar/bat mitzvahs, galas and parties.

A Mouthwatering Experience

We take the same pride in our food as we do in our world-renowned beers. Inspired by Cleveland's rich cultural heritage and the bounty of Ohio, our menus offer a wide variety of dishes that perfectly complement our delicious brews and vice versa. You can order our famous "signature" dishes, such as the Stilton Cheddar Cheese Soup, Artichoke Crock and Great Lakes Bread Pudding with Jack Daniel's Butter Sauce, served buffet style or as a full service meal. We also offer delectable cocktail receptions, appetizers and desserts as well as our trademark Brewmaster's Feast, which includes a brewery tour, a five-course dinner and a guided sampling of our award-winning brews.

World-Class Beverages, Interesting Options

Several beverage options are available for your event, including an open bar, a cash bar and the very popular Tasting Table. This choice features a variety of pitchers of our award-winning beers, each displayed with its profile. Guests can pour their own selection or sample all the beers on display, while servers are available to answer questions about the beers.

Unmatched Ambiance

We want our guests to feel welcome, comfortable, cared for and special. No where else in Cleveland will you find the warmth, geniality and ambiance of our banquet rooms.

When entertaining at Great Lakes Brewing Company, your guests will enjoy the relaxed atmosphere and the nostalgic old time Cleveland feel that our beautiful Victorian banquet rooms offer. Guests have the opportunity to take a step back in time through extensive displays of brewing memorabilia which feature Cleveland during its "Golden Age of Brewing".
