

Private Hop College Classes

We're excited to hear you're interested in joining us for a Private Hop College class! Private Hop College can be offered both virtually through Zoom, or in-person at the brewery! More details are below.

Hop College at the Brewery:

We're excited to hear you're interested in joining us for a private Hop College class! Students who enroll in Hop College: Beer 101 will head to the virtual "classroom" where GLBC Beer Educators crack open the story of beer – where it came from, how it's made, and the best way to taste it. Our Beer Educators will help you tap into a deeper understanding of craft beer the GLBC way, by taking a look at our brewery, history, and philosophy.

For this class, we'll be learning about (and tasting) the following 5 beers:

- Dortmund Gold Lager
- Crushworthy Lo-Cal Citrus Wheat
- Hazecraft Hazy IPA
- Edmund Fitzgerald Porter
- Plus a rotating seasonal beer! (or another available beer of your choice)

Hop College classes at the brewery will include a five ounce sample of each of the above beers, a tour of the brewery, a Hop College notebook, and a Hop College Exclusive Pint Glass to take home! Class will last approximately two hours.

Class is held in our Beer Symposium located at 1951 W 26th St, Cleveland, OH 44113.

COST

Private Hop College classes start at \$250 for a group of up to five students, with an additional \$45 per each additional guest up to 30 total guests (plus eventbrite processing fees). Private Hop College guests can also receive 10% off any merchandise (excluding beer) in the GLBC Gift Shop on the day of class!
