### OATS MACDONALD PALE ALE

E-I, E-I O! With creamy oats here and citrus notes there, this smooth golden Pale Ale recalls the grain silos and rolling acres that line our Midwestern highways and byways.

**AVAILABILITY:** March

**PACKAGING:** Fridge Filler Variety Pack

**FLAVOR:** Fruity hop aromas roam free-range through a bountiful field of oats and golden malt

**ABV:** 5.7% **IBU:** 35

**PAIRS WITH:** Roast chicken, English cheeses, and fields of gold

#### INGREDIENTS:

**MALTS:** Harrington 2-Row Base Malt, Oats, Caramel 30

**HOPS:** Jarrylo

#### BEHIND THE NAME:

Take a road trip to our brewpub and you'll likely pass a scene or two just like the painting on our label. You might also enjoy one of our signature burgers, made fresh daily at the West Side Market with spent-grain beef. You'll find a cluster of spent grain on our label, representing our brewpub's brewery-to-farm-to-table connection.
